Letter

Honorable Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

In the Information Disclosure Statement filed April 27, 2000, an inadvertent typographical error occurred on the PTO-1449 form when referencing the second Japanese reference. The correct Japanese Patent No. is --11-354442-- instead of "11-345442" as recited on the April 27, 2000 PTO-1449 form.

Applicant submits a PTO-1449 form correctly listing the Japanese reference and asks that the Examiner initial off on the attached and forward a copy of the initialed form with the next Office Action.

The Commissioner has hereby authorized to charge fees under 37 C.F.R. §§ 1.16, 1.17, 1.20(a), 1.20(b), 1.20(c), and 1.20(d) (except the Issue Fee) which may be required now or hereafter, or credit any overpayment to Deposit Account No. 19-2380. **A duplicate copy of this sheet is attached.**

Respectfully submitted,
